

HERE'S A "WORTH-WHILE" TRACTOR PROPOSITION

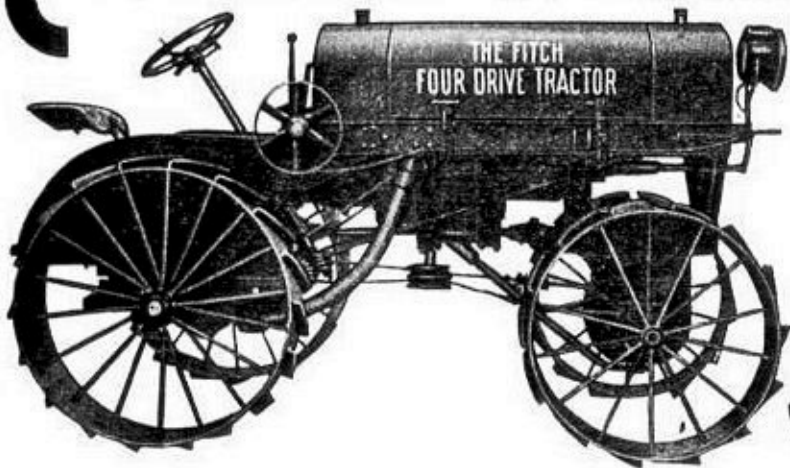

IMPLEMENT and Tractor Dealers who are looking for a good, live, worth-while tractor agency proposition are invited to get in touch with us at once

The Fitch Model Four-Drive Tractor Is Now Ready for Delivery.

We still have some highly desirable territory unassigned. If you are interested in handling a dependable tractor at the right price and that has many valuable features that put it in a class by itself, you will be interested in the Fitch Four-Drive.

The Fitch Four-Drive Tractor has the power applied on all four wheels. This not only gives extra traction, but means decreased weight, consequently decreased operating cost.

The Four-Drive is equipped with standard Waukesha Motor, Timken Bearings, Timken-David Brown and Ganschow Gears, etc. All parts are of the best quality throughout—and fully guaranteed. Made in two sizes suitable for all field and belt needs of every farm. Exceptionally small turning radius.

Write or wire for full particulars, naming territory desired.
See us at Fremont Demonstration August 6th to 10th.
